**9. Starting list/slots:** The starting slots for the 1st session are set by the race organisation (depending on results of the year 2016 and on provisional overall ranking of series 2017).

Participants will start in order of their starting number. We'll hand out a „starting ticket“ at the registration (order in blocks by 1, 2, 3..) The start on Sunday morning we will start on basis of the intermediate results. BEFORE the start we will activate the transponder (see pt. 14/Timing II).

**10. Mountain railway/shuttle:** There is no shuttle/lift at TrailCenter Rabenberg!

**11. Rules for the start:** At each start of the timed sections the „Gate Directors“ will make a call for the riders and take care for a minimum gap of about 30 sec. All participants have to stay/wait BEHIND the Gate Director!!

**12. Timing I:** The end of each timed session will be announced by a sign „Finish 50 m“ (if it's not visible in this distance) and by barrier tape at both sides. Sometimes there will be a steward at the end of the timed session.

**14. Timing II:** The personal transponder saves all data of each session. So it is necessary to read out the transponder AFTER each session. **Therefore it is absolutely IMPORTANT to pass the the TRAILTROPHY-Arch AFTER each session. Without anylising the transponder it's not possible to start the following session!!**

**15. Food service:** The following meals are included in your starting fee: Evening meal on Saturday evening and „Cake by bike-components“ on Sunday noon/afternoon. Companions of registered participants can buy the buffet, too. The price is 15,- Euro, to pay at the race office on Saturday. For the evening meal on Saturday evening you get special „Bons“ for meal and drink.

**16. Bike repair service:** There is no repair service at Sportpark Rabenberg and the venue. Please bring repair tools and components with you!

**17. Timetable:** Please see [www.trailtrophy.eu](http://www.trailtrophy.eu) (Events/Orte Breitenbrunn) for the actual timetable.
