3. Team name: Please check that your team name is written correctly! Each member of the team must have the exactly same team name. Last option for corrections is on Friday, 03. August, until 1:00 pm! While the TrailTrophy is in process, we can't accept any more corrections!

4. Transponder: You have to pay a deposit of 20 Euro or 20 CHF for the transponder, this will be given back on Sunday when returning the transponder. The transponder has to be fixed at your right wrist.

5. Starting number: has to be fixed at the handlebar.

6. Helmet requirement: Helmets are required at the WHOLE tracks, even on linking stages.

7. Protection etc.: The following protection is mandatory on ALL stages: Knee protection, long finger gloves. We recommend you to wear elbow protection and dorsal protection, for example special backpacks.

8. Nightride: Front and rear light are mandatory for the nightride. We're not responsible for false timing in case of using lamps without CE/EU-certificate. If you're not sure about this, use helmet mounting.

9. Signalisation: All tracks are signposted, of course. But don't expect barrier tape on each meter of the course/track. Keep your eyes open, both on the timed and linking stages.

10. Starting list/slots: The starting slots for the start are set by the race organisation. For the first Session No. 1 on Friday the results of Flims 2017 and TrailTrophy Series ranking 2018 are basis for the starting list. All other participants will follow in order of their starting number. A starting list will be published Friday morning.

11. Mountain railway/lift: On Saturday and Sunday the participants will use the cablecars in Flims-Laax. The lift pass will be hand out with the start plate on Friday. There will be no replacement in case of losing it.

12. Rules for the start: At each start of the timed sections the „Gate Directors“ will make a call for the riders and take care for a minimum gap of about 15-20 sec. All participants have to stay/ wait BEHIND the Gate Director!!

13. Timing I: The end of each timed session will be announced by a sign „Finish 50 m“ (if it's not visible in this distance) by finish banners and by barrier tape at both sides. Sometimes there will be a steward at the end of the timed session.

14. Timing II: The personal transponder saves all data of each session, the transponder is activated when you get it after your accreditation. It's mandatory to read out the transponder at the end of **each day!!** Therefore it is absolutely IMPORTANT to pass the TRAILTROPHY-tent near the FINISH ARCH at the Festplatz BEFORE and AFTER each session.

15. Food service: The following meals are included in your starting fee: Lunch on Saturday 04.08. Dinner on Saturday evening and a second breakfast by bike-components on Sunday, 05.08.

16. Bike repair service: For service there will be the regular bike-shops in and around flims. The closest one is straight at the bottom station of the cable car.

17. Timetable: Please see www.trailtrophy.eu (Events/ Flims-Laax) for the actual timetable.

We wish you a good trip to Flims and a successful TrailTrophy!
