Any violations against this rule will cause a penalty due to our „Rules & Regulations“.
- 7. Protection etc.:** The following protection is mandatory on ALL stages: Shin- or knee-protection and long finger gloves. We really recommend to wear elbow protection and dorsal protection, for example special backpacks!!

- 8. Signalisation:** All tracks are signposted, of course. But don't expect barrier tape on each meter of the course/track. Keep your eyes open, both on the timed and linking stages.
- 9. Starting list/slots:** The starting slots for the 1st session are set by the race organisation. For the first 30-40 participants the starting order is set by the provisional overall ranking of the TT 2017 so far. All other participants will follow in order of their starting number. We'll hand out a „starting ticket“ with your starting time at the registration (order by time 13:20, 13:25) The following sessions we will start on basis of the intermediate results.
- 10. Mountain railway/shuttle service:** On SATURDAY and SUNDAY we'll use the mountain railway up to the top of Kronplatz (and other lifts) to reach the start of several stages.
- 11. Rules for the start:** At each start of the timed sections the „Gate Directors“ will make a call for the riders and take care for a minimum gap of about 30 sec. All participants have to stay/wait BEHIND the Gate Director!!
- 12. Timing I:** The end of each timed session will be announced by a sign „Finish 50 m“ (if it's not visible in this distance) and by barrier tape at both sides, furthermore we'll have special „Finish plates“. At critical sections there will be a steward at the end of the timed session.
- 13. Timing II:** The personal transponder saves all data of each session. So it is necessary to read out the transponder AFTER each session. **Therefore it is absolutely IMPORTANT to pass the the TRAILTROPHY-arch AFTER each day. Without anylising the transponder is it not possible to start the following session!!**
- 15. Food service:** The following meals are included in your starting fee: Evening-Snack on Friday 15 September, Panorama-Lunch on Saturday, 16 September and Barbecue on 16 September, „After-Race-Snack“ on Sunday, 17 September.
- 16. Bike repair service:** For urgent repairs and spare parts you'll find two shops in the town of Bruneck, „Sportspezial“ and „Sportler“. These are open to their normal opening times.
- 17. Timetable:** Please see www.trailtrophy.eu (Events/Orte Kronplatz) for the actual timetable.

We wish you a good trip to Kronplatz and a successful TrailTrophy!

Your TrailTrophy staff.
